Colorado CCBHC Cost Report and PPS Calculation FAQ

Questions from the 3/31/16 Webinar Training

Question #1: Will the cost report training PowerPoint slides and complete webinar be on Colorado Department of Health Care Policy and Financing's website?

Answer: Yes, both the PowerPoint slides and a recording will be made available via Colorado Department of Health Care Policy and Financing's website.

Question #2: What cost report period will be used for filing the CCBHC cost report?

Answer: Provider's should use data and financials for the most recent fiscal year ending prior to 1/1/2016. For example, if the provider uses a 12/31 year end, they would use the data and financials from their fiscal year of 1/1/2015 – 12/31/2015.

Question #3: For fiscal year 2015, DCOs were non-existent. How do providers account for those costs with no history?

Answer: Providers will have to estimate DCO costs for the fiscal year.
